

Coach Larry Meeks, junior football coach, watched on as the Cubs worked to win an important game.

Mr. Johnny Hamilton, general and physical science instructor, wrote formulas on the overhead projector which made it easier for his students to learn.

Mrs. Queen Ester Wilson came over from her duties at Middle School to teach a class of home economics.

With the aid of a willing student, Mrs. Ida Purtle graded her biology students' tests. Mrs. Purtle also taught chemistry.
