

Curley Cubs Worked For Good Season

The Curley Cubs worked hard for a good season this year. They had a record of five wins, three losses, and one tie. The Cubs were also district runners-up.

Head coach for the Cubs was Eddie Jackson and assistant coach was Larry Meeks. The team, along with the coaches, spent many long and exhausting hours preparing themselves into a great football team, excelling both in tactics and sportsmanship.

Quarterback Jerry Honea charged to tackle a Gurdon Go-Devil during a tight game.

After the ball was snapped, the Cubs offense fought to get a first down against Ashdown.

James Craven was forced out of bounds within inches of the goal line during the game with Stamps.
